

**RE: 2026 Health Executives and Business Leaders Nomination - Guilford, VT
Gabriella Neacsu Katz as Owner of Maranatha Natural Living Llc**

Dear Gabriella,

On March 11, you were selected to represent **Guilford** as a **"2026 Distinguished Health Professional"** candidate. For more than two decades, this recognition has highlighted the achievements, leadership, and contributions of outstanding healthcare executives, professionals, and business leaders.

With over 100 billion healthcare-related searches conducted online each year, individuals and organizations increasingly rely on trusted resources to identify respected professionals across the healthcare industry. Our online registry highlights leaders ranging from physicians and healthcare executives to consultants and health related businesses, providing positive information, trusted visibility, and authoritative recognition for accomplished professionals nationwide. There is **no cost** to be included.

Candidates are identified through executive research, professional directories, and industry listings. Our registry features leaders from corporate, entrepreneurial, academic, nonprofit, and government sectors, representing their city, state, and surrounding communities.

Your candidacy becomes effective upon receipt of the enclosed application form. Once confirmed, you will receive an activation link and login credentials to access your member dashboard to complete your biography, upload a photograph, link your website, and access additional professional profile features.

To expedite your application, please **Fax to (800)747-5592** or **Email to lindal@theglobalwhoswho.com**
To nominate other qualified professionals, copy the form below and submit with your response.

Sincerely,

Nancy Preston
